## COUNCIL COMMUNICATION

AGENDA TITLE: Traffic Resolution Amendment - Addition of Existing Parking Restrictions On: Eden Street, East of Garfield Street, and Laurel Avenue, North of Turner Road

MEETING DATE: March 17, 1993

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution amending the Traffic Resolution #87-163 to add the following existing parking restrictions to Section B. These restrictions, and their limits, are listed below and shown on Exhibit A.

- ° No parking 8 a.m. to 4 p.m., school days only, buses excepted:  
Eden Street (north side) from Garfield Street to 165 feet east of Garfield Street
- ° No parking 9 a.m. to 6 p.m., every day:  
Laurel Avenue (west side) from Turner Road to 350 feet north of Turner Road  
Laurel Avenue (east side) from Turner Road to 465 feet north of Turner Road

BACKGROUND INFORMATION: While performing field inspections, Public Works staff discovered the existence of parking restrictions at two locations that are not shown in the Traffic Resolution. These restricted areas were overlooked when the Traffic Resolution was adopted in 1987. The locations of these restricted areas are on Eden Street, east of Garfield Street and adjacent to Heritage School, and on Laurel Avenue, north of Turner Road and adjacent to Lodi Lake Park. The restriction on Eden Street is for a bus zone and was approved by Council in 1977 (Resolution #4389). The restriction on Laurel Avenue is to prohibit parking at night and was also approved by Council. The only action necessary by Council is to add these existing parking restrictions to the Traffic Resolution. Since these are existing restrictions, staff recommends these additions.

FUNDING: None required.
